"Pursuing Christ and Academic Excellence"

HOME OF THE WARRIORS!

Dear Prospective Family,

Mahalo, for your interest in Lanakila Baptist School. We have been educating students for 50 years. We are very humbled that you are considering placing your child in our school. We love to welcome new students and their families to our 'ohana.

At LBS, we seek to glorify God by partnering with families, churches and the local community in educating future generations through Christ-centered training, application, and example.

We believe that family is an integral part of our Christian education, and we seek families who take a strong interest in their children's development and who will partner with us to support their children's education. We give priority to applicants whose siblings are current students.

Enclosed is general information about our school along with an admissions packet. Please refer to the checklist provided for the necessary documents needed and complete the required application forms.

Depending on your child's grade level, proper placement will be determined by a review of previous report cards, annual testing results and/or the LBS Placement Evaluation. After both application assessment and interview is complete, you will be notified of our decision by email, letter, or by phone.

We hope to hear from you soon. Please do not hesitate to call us if you have any questions concerning our application process or if we can be of any further assistance.

Your partner in Christian education,

Maria S. Pauley

Director of Education
