"Pursuing Christ and Academic Excellence"

March 16, 2020

Dear LBS Families,

This is a follow up on last week's communication about school closure due to the novel coronavirus (COVID-19). **LBS has agreed to extend spring break until March 27, 2020. Online classes will begin on March 30, 2020 (specific details to follow).** We will continue to monitor, but prayerfully we will reopen the campuses on April 6, 2020.

As we partner with you and our greater community to meet known and unknown challenges, we are committed to keeping the channels of communication open and doing all we reasonably can to ensure the health, safety, and well-being of our community. We plan to communicate regularly with families as we monitor the situation and we will post health-related updates on the news page of our website.

If you have any questions relating to our policies and procedures, please feel free to contact your campus principal. We are praying for safety, wisdom, and guidance in providing a safe learning environment.

Sincerely,

Maria S. Pauley
Director of Education
& Elementary Principal
