- **RAMP Project-**

- Thank you to Elaine R. for helping spearhead this project. She was instrumental in getting ahold of a construction school, ABC Inc. They were and are willing to use our maintenance needs for a project for their students. They provided the labor for FREE and we had to cover the materials cost. **BLESSINGS! The Grady family donated 50% of the cost to have this project move forward. MAHALO!** The project is not complete, they will send another group to complete it. Thank you again to Elaine for your expertise in this area.
- There are other projects on the books that have to be done, and I am so glad we have a new relationship with this organization.
- **LBES Choir**
 - **Waipahu Family Day-** Our choir has been invited to perform a couple of songs from the upcoming Spring Musical- at this evangelistic event on **April 6, 2019** at **August Ahrens School**.
 - We have also been invited to sing at the **Health Fair in Waipio** on the same day. We are going to need all my families to help out. Parents can choose one event or both but we need all the voices we can get to showcase our students and represent our school. Please make a spot for this event on your calendar.
